

مقالات چاپ شده در سال ۱۳۹۴

نام مجله	عنوان مقاله	ردیف
Life Science	Ellagic acid prevents cognitive and hippocampal long-term potentiation deficits and brain inflammation in rat with traumatic brain injury	۱
Iranian Journal of Basic Medical Sciences	Ellagic acid improves hyperalgesia and cognitive deficiency in 6-hydroxidopamine induced rat model of Parkinson's disease (Article)	۲
Asian Pacific Journal of Cancer Prevention	Effects of TNF Secreting HEK Cells on B Lymphocytes' Apoptosis in Human Chronic Lymphocytic Leukemias	۳
Iranian Journal of Basic Medical Sciences	Antidiabetic effect of honey feeding in noise induced hyperglycemic rat: Involvement of oxidative stress	۴
Research Journal of Pharmaceutical, Biological and Chemical Sciences	Anti-inflammatory Effect of Hydro alcoholic Extract of the Olea europaea l. Fruitin Carrageenan-Induced Paw Edema in Rats.	۵
Brazilian Journal of Pharmaceutical Sciences	A preliminary study of the anti-inflammatory and anti-apoptotic effects of crocin against gastric ischemia-reperfusion injury in rats	۶
Indian Journal of Pharmacology	A study of the mechanisms underlying the anti-inflammatory effect of ellagic acid in carrageenan-induced paw edema in rats	۷
Physiology and Pharmacology	A comprehensive approach to investigate the contradictory effects of metformin therapy in cerebral ischemic injury	۸
Avicenna Journal of Phytomedicine	Cardioprotective effect of aqueous extract of Chichorium intybus L. on ischemia-reperfusion injury in isolated rat heart	۹
Arq Bras Cardiol	Co-administration of Apelin and T4 Protects Inotropic and Chronotropic Changes Occurring in Hypothyroid Rats	۱۰

مقالات چاپ شده در سال ۱۳۹۴

نام مجله	عنوان مقاله	ردیف
Jentashapir Journal of Health Research	A Survey of the Relationship Between Noised Pollution, Honey and Vitamin E and Plasma Level of Blood Sexual Hormones in Noise-Exposed Rats	۱۱
Cardiovascular	Combination of grape seed extract and exercise training improves left ventricular dysfunction in STZ-Induced diabetic rats	۱۲
Avicenna Journal Phytomed	Ellagic acid improved arrhythmias induced by CaCL ₂ in the rat stress model	۱۳
Basic and clinical neuroscience	Ellagic Acid Protects the Brain Against 6-Hydroxydopamine Induced Neuroinflammation in a Rat Model of Parkinson's Disease	۱۴
Pharmacological Reports	Ellagic acid enhances the antinociceptive action of venlafaxine in mouse acetic acid-induced pain: An isobolographic analysis	۱۵
Basic and clinical neuroscience	Effects of Venlafaxine & Methadone Alone and in Combination with Spontaneous Morphine withdrawal Syndrome & Pain Sensation in Rats	۱۶
Indian Journal of Experimental Biology (IJEB)	Effect of vanillic acid on ischemia-reperfusion of isolated rat heart: Hemodynamic parameters and infarct size assays	۱۷
Avicenna Journal of Phytomedicine	Effect of crocin on nitric oxide synthase expression in post-ischemic isolated rat heart	۱۸
Jundishapur Journal of Natural Pharmaceutical Products	Effect of Royal Jelly on Formalin Induced-Inflammation in Rat Hind Paw	۱۹
Jundishapur Journal of Natural Pharmaceutical Products	Enhancement of Human Skin Fibroblasts Proliferation as a Result of Treating With Quince Seed Mucilage	۲۰

مقالات چاپ شده در سال ۱۳۹۴

نام مجله	عنوان مقاله	ردیف
Canadian Journal of Physiology and Pharmacology	Gallic acid improved behavior, brain electrophysiology, and inflammation in a rat model of traumatic brain injury	۲۱
Avicenna Journal of Phytomedine	Gallic acid and exercise training improve motor function, nerve conduction velocity but not pain sense reflex after experimental sciatic nerve crush in male rats	۲۲
The Journal of Physiological Sciences	Gastric acid induces mucosal H ₂ S release in rats by upregulating mRNA and protein expression of cystathionine gamma lyase.	۲۳
Physiology and Pharmacology	Gemfibrozil protect PC12 cells through modulation of Estradiol receptors against oxidative stress	۲۴
Metabolic brain disease	Metformin improves anxiety-like behaviors through AMPK-dependent regulation of autophagy following transient forebrain ischemia	۲۵
Jundishapur Journal of Natural Pharmaceutical Products	Priority of 5% Quince Seed Cream Versus 1% Phenytoin Cream in the Healing of Skin Ulcers: A Randomized Controlled Trial	۲۶
Avicenna Journal of Phytomedicine	Pomegranate seed hydroalcoholic extract improves memory deficits in ovariectomized rats with permanent cerebral hypoperfusion /ischemia	۲۷
Iranian Journal of Basic Medical Sciences	Protective effects of vitamin B6 alone and in combination with L-Cysteine and NaHS on ethanol and indomethacin - induced gastric Lesions in mice	۲۸
Microcirculation	Targeting Adenosine Monophosphate-Activated Protein Kinase by Metformin Adjusts Post-Ischemic Hyperemia and Extracellular Neuronal Discharge in Transient Global Cerebral Ischemia	۲۹
Jundishapur Journal of Natural Pharmaceutical Products	The Effect of Prunus cerasus (Sour Cherry) Kernel Seed Extract on QT Interval of Heart and its Histopathology in Biliary Cirrhosis Induced by Bile Duct Ligation in Rats	۳۰

Avicenna Journal of Phytomedicine	The effect of hydro-alcoholic celery (<i>Apium graveolens</i>) leaf extract on cardiovascular parameters and lipid profile in animal model of hypertension induced by fructose	۳۱
The World Journal of Men's Health	The Effect of <i>Vitis vinifera</i> L. Juice on Serum Levels of Inhibin B, Sperm Count in Adult Male Rats	۳۲
Jentashapir Journal of Health Research	Wound Healing Effect of an ointment Made From a Mixture of <i>Brassica oleracea</i> var <i>punica granatum</i> and <i>plantago major</i> l extracts in rats	۳۳
Iran J Psychiatry Behav Sci	Comparing the Effects of Self-Controlled and Examiner-Controlled Feedback on Learning in Children With Developmental Coordination Disorder	۳۴
Electronic Physician	Ellagic acid improves electrocardiogram waves and blood pressure against global cerebral ischemia rat experimental models	۳۵
Journal of Clinical and Diagnostic Research	Effect of Contrast Inversion Enhancement on the Accuracy of Endodontic File Length Determination in Digital Radiography	۳۶
Electronic Physician	Negative Chronotropic and Antidysrhythmic Effects of Hydroalcoholic Extract of Lemon Balm (<i>Melissa Officinalis</i> L.) on CaCl ₂ -Induced Arrhythmias in Rats	۳۷
Iranian Journal of Pharmaceutical Research	Ameliorating of Memory Impairment and Apoptosis in Amyloid β -Injected Rats Via Inhibition of Nitric Oxide Synthase: Possible Participation of Autophagy	۳۸
Asian Pacific Journal of Cancer Prevention	Role of Tumor Necrosis Factor-Producing Mesenchymal Stem Cells on Apoptosis of Chronic B-lymphocytic Tumor Cells Resistant to Fludarabine-based Chemotherapy	۳۹
Veterinary research forum	The anti-inflammatory and anti-apoptotic effects of gallic acid against mucosal inflammation- and erosions-induced by gastric ischemia-reperfusion in rats	۴۰

Physiology and Pharmacology	A comprehensive approach to investigate the contradictory effects of metformin therapy in cerebral ischemic injury	۴۱
Biochemical and Cellular Archives	A qualitative and quantitative study of benzo (a) Pyrene in air in Ahvaz, Iran	۴۲
Research Journal of Pharmaceutical, Biological and Chemical Sciences	Effect of Quercetin on Retention and Retrieval of Memory in Young and Aged Mice	۴۳
Research Journal of Pharmaceutical, Biological and Chemical Sciences	Study of the Analgesic Effect of Hydro-alcoholic Extract of Red Lentil in Rat by Formalin Test	۴۴
Research Journal of Pharmaceutical, Biological and Chemical Sciences	Study of the effect of Ocimum basilicum Hydro-Alcoholic Extract on Convulsion Induced by Nicotine in Mice	۴۵
Research Journal of Pharmaceutical, Biological and Chemical Sciences	Study of the Anxiolytic Effect of Ocimum Basilicum Hydroalcoholic Extract in Mice	۴۶
Journal of Babol University of Medical Sciences	The Evaluation of the Protective Effects of the Hydro-alcoholic Extract of Rosemary (Rosmarinus Officinalis L.) on Ventricular Arrhythmias in Rats	۴۷
Metabolic Brain Disease	Pre-treatment with metformin activates Nrf2 antioxidant pathways and inhibits inflammatory responses through induction of AMPK after transient global cerebral ischemia	۴۸
Metabolic Brain Disease	Metformin improves anxiety-like behaviors through AMPK-dependent regulation of autophagy following transient forebrain ischemia	۴۹
